MEMORANDUM FOR RECORD

FROM: Mr. Eassie Soares-Haae, Acting Supervisor for the General Purpose Shop

SUBJECT: Incident with Mr. Peter Sebala

In the absence of my supervisor Mr. Nunes, I filled in as acting supervisor in December 2002.

On 13 December 2002, I went into the Tire shop to check on the shop equipment and noticed that Peter Sebala was standing near the water fountain doing nothing.

As I approached him, he called out to me in an angry voice saying: "What! You like something" He sounded like he was angry at me for what reason I don't know. He was confrontational so I left the tire shop.
